The two weeks were all about the freshers' party, Empezar 2017. The event was organised by the Regenians themselves and they did a fabulous job!

The preparations and arrangements kept Regenians occupied all through the last week, from rehearsing for the performances to negotiating with the decorators, caterers and DJ. The event surely tested the management skills of our students and they didn't disappoint us!

The D-day finally arrived and hosts Asawari & Sri Ram took to the stage to welcome the guests. The event was declared open by Group CEO Dr. Richa Arora with a very touching speech. What followed was loads of entertainment and fun!

The very first performance was rocking and set the tone of the party. A song by Hope had the audience cheering non-stop for her. This was followed by Pratik's stand-up comedy session that left everyone in splits. Next up was a group dance. As our Regenians shook their legs on 'oonchi hai building...', everyone in the crowd sang and swayed along. After the fabulous dance moves, the audience were treated to a mesmerising song performance by Satyam.

Taking the fun quotient a notch higher, our dancing stars took to the stage once again; this time with a couple show. The guests cheered all through as the Regenians danced to a Spanish number.

Rahul then took everyone to the 70s as he strummed his guitar and sung classic numbers such as "hoton se choo lo tum..." and "kabhi kabhi mere dil me...". As Rahul left the stage, Asawari took over, this time with a beautiful song performance.

After the acts by Regenians it was now time for the audience to participate. The guests were invited for a game of musical chair. To everyone's surprise, the first one to walk up to the stage was none other than Dr. Richa Arora. She not only sportingly participated, but also won the game!

As the guests settled back in their seats amid all the fun and laughters, Sri Ram showed everyone he is not just a good host but a very good singer as well. He very beautifully sung the all-time favourite number "tu hi re..."

Then came the most important part of the event—the selection of Mr. and Ms. Freshers 2017. This was done through a fashion show, an introduction round and a Q and A round for the 8 finalists. The Regenians, dressed in stunning clothes, walked the ramp and introduced themselves to the audience. They were judged by Dr. Richa Arora, Captain Vivek Kumar, Dr. Surbhi Jain and Mr. Andrew Geddie.

Rashmi and Sri Ram were selected Ms. & Mr. Freshers 2017, respectively. A special award was also given to Hope.

The event ended with the vote of thanks from the Cultural Club. With beautiful memories of the evening, the guests proceeded for dinner.
