GREETINGS FROM REGENESYS !

Welcome to the Regenesys student newsletter for 2018-2020 Batch. This newsletter contains the highlights of the academic and holistic development activities undertaken by the Regenians in the months of August, September and October. It will keep you connected with us and informed of the on-going activities, and also enable you to keep track of your child's progress.

We appreciate your feedback on our newsletters and welcome any suggestions. If you have any comments or suggestions, please feel free to contact us. We would really like to hear from you.

IN THIS ISSUE

Academics: Regenians were exposed to a slew of industry expert lectures on topics that were a part of their syllabus along with regular business communication sessions. As a result they were able to gain a better understanding of the subjects taught and their communication skills have significantly improved.

Activity: A combination of indoor games, management activities, interaction with delegates from South Africa and the Fresher's party set an excited pace to Regenian's schedule. It brought out their strengths and areas of interest and made them wholeheartedly plunge into the self-development mode.

Special feature: The Regenians have taken their first step towards the Community Development Project. The goal is to help communities in terms of providing help with sanitation and medical support for various diseases. This will enable Regenians to gain insight, learn valuable hands on management lessons and be a gainful part of the society.

AUGUST

The orientation program for PDBM Batch 2018-19' was a week long schedule of induction activities and interactive sessions for the Regenians from 16th-24th August,2018. It was aimed at allowing Regenians to become part of the Regenesys family, familiarize them with the system and make them comfortable in their home away from home.

ACADEMICS

Academic Head **Dr. Surbhi Jain** and Senior Facilitator Prof. Andrew Geddie gave Regenians a seed capital and an opportunity to become entrepreneurs. They were tasked with the goal to generate revenues within a five-hour deadline. The Regenians came up with some innovative ideas, which included, charging for clicking photographs with the caption "[#a_click_for_Kerala](#)"

(this particular team, along with fellow team members decided to donate their revenues generated to support victims of the Kerala flood). The other teams also offered products and services which included head and shoulder massages, reselling foodstuffs etc. The winning team managed to grow their start-up capital by a staggering **700%**, with the teams recording growth rates between **460%** and **583%**. The innovation and entrepreneurial spirit that the Regenians displayed was absolutely impressive and bodes well for their business futures.

Regenians were introduced to the ever-changing world of Digital Marketing by **Mr. Krish Ramnani**, Co-founder and Director of Togglehead (a company specialising in all facets of marketing in the digital space). **Mr. Ramnani** ensured that Regenians got a practical understanding of workings of the digital marketing world.

Understanding that personal grooming and presentation in the corporate world is a must for Regenians we had invited **Ms. Farida Dahee** (a life coach, image consultant and soft skills trainer). She guided the Regenians on self-reflection, on their higher purpose and getting to know their inner self in addition to sharing tips on presenting themselves in the corporate world.

Regenians were privileged to have a visit from **Dr. Jagdish Kumar**, Asst. General Manager HR (Western Region) and in-charge Regional Training centre. Regenians were taught how to prepare themselves for interview and how to deal with (sometimes) impromptu group recruitment situations. Regenians thoroughly enjoyed the session, gathering some very useful tips and tricks which will surely stand them in good stead in the future.

ACTIVITY

Regenians were taken to **Sanjay Gandhi National Park** (Borivali Hills) to get some fresh air and build rapport with their new classmates. The outbound activity included a brisk walk up to the hills to reach **Kanheri caves**. One of the main caves has two magnificent Buddhist statues flanking the main entrance, and the inside is adorned with massive pillars that stretch to the roof. Those brave enough to walk up the final set of narrow and rather steep stairs, were rewarded with an awesome view of the whole park and surrounding areas.

Regenians got to play two games – '**Blind Trust Game**' and '**Treasure Hunt**'. The first game was aimed at helping Regenians build teams and getting to know each other. In the Treasure Hunt, where the teams had to work out cryptic clues in order to find out where the next clue was hidden. The games helped the new Regenians familiarise themselves with the surrounding geography and landmarks. A sports tournament was conducted, with the Regenians competing in table tennis, carrom & chess.

SEPTEMBER

Regenians got a dose of the securities market, tips for grooming themselves & formed various management clubs.

ACADEMICS

Regenians enjoyed a field trip to the **Securities and Exchange Board of India (SEBI)**. They were treated to an enlivening and informative presentation on the role of SEBI in regulating the securities market and the critical role of protecting the individual investor. The Regenians had a fascinating insight into the various types of investments and the advantages as well as potential pitfalls with relevant real world examples.

A grooming and soft skills workshop was conducted by **Ms. Desiree Fernandes** who is an expert Aviation and Soft Skills Training Manager with over 18 years of experience in the aviation industry. During her talk, she emphasised on the importance of personal grooming, hygiene, body language, professional etiquette, healthy eating habits and making a lasting impression. This session enabled each student to identify and work on their areas of improvement.

ACTIVITY

Regenians underwent multiple rounds of selections and were shortlisted for position of Presidents and Vice- Presidents of the Various Clubs. The following Regenians were elected for the various clubs. The purpose of these clubs is to help Regenians understand the various workings of an organization ranging from people management, networking, organizing and planning to marketing.

OCTOBER

October saw the Regenians juggling their academic schedule with preparation for their 'Freshers Party'.

ACADEMICS

Regenesys ensures that Industry experts, with extensive business knowledge come regularly to our campus and interact with Regenians to give them knowledge about the real life application of concepts that they study. The following Industry experts met and left a lasting impact on Regenians.

1. **Prof. Shannon**, Corporate Trainer with over 12 years of work experience who spoke about competitive and risk analysis
2. **Prof. Tasneem**, Training and Content Professional from the Project Management Institute, USA, who addressed the topic of competitive analysis and stakeholder engagement
3. **Prof. Vikram**, Chartered Accountant who shared the practical aspects of accounting and financial management.

In addition to the student's curriculum, to enhance and groom the communication skills of the Regenians **Prof. Gavin Rego**, Trainer of NLP & Soft skills conducts business communication sessions for four hours every week. Over the year, he will groom Regenians to improve their personal communication, corporate communication and public speaking skills. He is currently covering public speaking skills, ranging from having presence of mind, handling nervousness to building confidence etc.

Prof.Shannon

Prof. Tasneem

Prof. Vikram

Prof. Gavin Rego

ACTIVITY

The Fresher's bash 'Empezar' was held on 26th Oct, 2018. It was an exciting and fun-filled evening with the theme being scary Halloween. Regenians trained hard to present their performance as professionals for the solo, duet and group dances as well as for a mime act bearing a social message about over-usage of mobile phones. Regenians were given an opportunity to plan and manage parts of the event to get an exposure to handling events. They were also guided to customize their costumes and had make-up artists to help them get that perfect look.

Rohit Todalgi and Nandini Tiwari were crowned as Mr. & Ms. Fresher. Award for Best performance of the evening was given out to Obri (Delegate from the International Study Tour Group), Best Personality was awarded to Ashok Yadav and Best Themed dress of the evening was given to Hari Om Singh.

IST DELEGATES

Around 20 Delegates from Regenesys Business School, South Africa visited Dubai and India as a part of their international study tour programme from 21st- 27th October, 2018. Regenesys Institute of Management Regenians were given the opportunity to plan the entire schedule for the delegates to include business and culture as a part of their experience.

It was an unmatched networking opportunity for the Regenians to start creating footholds for themselves in South Africa, a huge insight into the culture and people of South Africa. Their managerial skills of communication, negotiation and time management were put to test during the preparatory phase of this study tour. The corporate visits to Bisleri factory, Godrej Corporate office and Securities and Exchange board of India also helped them to gain invaluable industry insights.

SPECIAL FEATURES

Giving back to the society: Community development project

Students during their first semester at the Institute are studying Marketing Management, Project Management and Financial Management in class. In order to understand the practical application of their learnings in the classroom to the real world, the community development project was created. The teaching pedagogy ensures that all the theoretical aspects learnt in these three subjects are applied by the students by working on this project.

Students have been bifurcated into Marketing, SAP, Operations & Projects teams to apply their learnings specifically to this project.

Also Regenesys Institute of Management is a Business School with a heart and soul, where cognitive, emotional, and spiritual (being purpose-driven) intelligences are developed and lived. The community development project is built on this foundation to help students develop their cognitive, emotional and spiritual quotients.

The goal of the community development program is to help communities in terms of providing help with sanitation and medical support for various diseases. The initiative was started in the month of September and the following milestones have been achieved so far.

1. A survey was conducted to identify a village that required help with sanitation and hygiene problems. The research helped to recognize an area '**Panshechi Nagar**' which is a slum, nearby Belapur station ,Navi Mumbai.

2.A second survey identified that over 45% of the people were suffering from skin diseases.

3.In order to ascertain the nature of the diseases a medical diagnosis camp was conducted on the 14th of October,2018. Regenians had arranged for **Dr. Ashwini** from DY Patil Hospital and **Dr. Mithila** from Elan Skin Clinic to diagnose the patients skin diseases.

About 40 patients were given prescriptions based on the personal checkups. Diagnosis indicated that Tinea, Scabies & Psoriasis to be some of the common ailments the residents were suffering from.

4. Regenians are active on all social platforms and personal networks creating awareness for this noble initiative. They are doing their best to encourage participation from everyone in kind, cash or as volunteers

This initiative was set-up for Regenians to be sensitized to the needy and make a difference to them and their society.
